Join members of the Chamber on the first Wednesday of the month from 12:00pm - 1:00pm at a different member dining establishment. No special fees or program, its just a gathering of like minded individuals and business members meeting at the same place for lunch. You just pay your own meal tab. You were going to lunch anyway right? Why not meet up with others and network your business while supporting the local community at the same time! Watch for our monthly Facebook updates for where we will be “Chowing”, You can also find Chow with the Chamber information on our weekly e-blast email & online at www.pittsburghchamber.org. All we ask is for a quick email RSVP that you plan on stopping by - it helps the restaurant prep.
