DR. DON HUNTINGTON

If you are serious about divorce proofing your marriage, join us on **September 29** as we take 15 couples on an afternoon marriage enrichment adventure called "How To Keep Your Marriage Afloat." We'll have dinner and a learning experience at Discovery Bay's Boardwalk Grill and then board the lovely commercial houseboat, Rosemarie, for a short cruise during which each couple will figure out what's happening in their marriage, what ought to be happening, and how to make it happen.

But that's not all!

In addition, the couples will receive a complimentary subscription to Dr. Don's six-week online seminar, How To Divorce Proof Your Marriage, which is itself a \$300 value.

But that's not all!

For six weeks the couples will receive daily personal communications from Dr. Don for encouragement, direction, and help.

But that's not all!

For six weeks the couples will have access to Dr. Don, through email, phone calls, or FB messaging.

Only 15 Couples!

Don't be left standing on the dock! Sign up today.
