At So Big Preschool we believe "Childhood is a journey, not a race".

We are the only Parent Participation Preschool in East Contra Costa County.

Come in for a visit and find out what makes our school so special!

Why a Co-Op?

A cooperative preschool combines the two most important ingredients for a successful first school experience - the expertise of a professional teacher and the best expert on your child...YOU!

Mission Statement

So Big Co-Op Preschool is dedicated to providing a warm and nurturing environment that helps each child develop emotionally, socially, intellectually and physically at his or her own pace. Our program is play-based and encourages each child to question, to wonder and to explore the environment in order to foster a lifelong love of learning. By involving parents at every level, families gain a sense of community, parent to parent support and the basis for future involvement in their child's education.
