

ELECT
Martha Parsons
Antioch City Council!

Having been born, raised and living in Antioch, and your City Councilmember for the past 20 months, I am running to continue my service on the Antioch City Council to build a stronger Antioch that balances future growth with the preservation of our character, lifestyle, and local values.

While we may come from different places and cultures and have different stories to tell, we all hold common values, our strong sense of community, our love for the beauty of our location on San Joaquin River, and our high quality of life. We also share the hope for a better future for our children and grandchildren!

I am dedicated to these issues that will preserve our quality of life:

- Maintaining Antioch as a safe place for us all to live, work and play;
- Creating and retaining jobs for a strong and diverse economy;
- Building on our public transportation system;
- Promoting - "Shop Antioch";
- Promoting Community Pride and Involvement such as "Keep Antioch Beautiful" and Neighborhood Watch groups.

I will continue to listen, evaluate, discuss, and make decisions based on what is reasonable. By being reasonable, professional and acting in the best interest of our community, we can reach the common goals to continue to improve our Quality of Life.

If you have any comments, concerns, or would like to contact me, at martha@marthaparsons.com, on my cell 925-890-2665 or visit www.marthaparsons.com.

As a voice for ALL Antioch and your full time representative, I would be honored to have your vote!
